PETITION AGAINST REZONING A ND MULTI-UNIT DEVELOPMENT AT EAST NATOMA STREET AND GOLF LINKS DRIVE IN EMPIRE RANCH

Petition to: Folsom Mayor, City Council, Planning Commissions, and Architectural Review Commissions
Subject: Rezoning of southwest corner of East Natoma Street and Golf Links Drive. Proposed Trilogy Condominiums at Empire Ranch, AND all future multi-unit development at the site of East Natoma and Golf Links Drive.

We, the undersigned registered voters, and residents of Folsom, California, are **AGAINST** the proposed rezoning of this parcel of land and prefer to keep the current zoning in place. Secondly, if this rezoning somehow passes over our strong objections, we want to make sure that you know that having multi units development is **NOT** acceptable on this parcel. If Multi-family zoning is approved over our strong objections, the only complex we would consider to have an acceptable compatibility with the surrounding residential areas is to have a maximum of 45 to 50 single story luxury condominiums, ranging from 2,000 to 3,000 square feet, with steep pitched roofs, multiple roof lines, dormers, all with full compliments of upgrades available.
